

Rolling Hills PTA & Literacy Garden

BRICK FUNDRAISER

Leave a legacy in our newly revitalized Literacy Garden.

The Literacy Garden provides a quiet learning environment and a place where our children can have a hands-on experience in an active and productive fruit and vegetable garden. The personalized, engraved bricks will pave the walkway around the garden for generations of students.

All proceeds from your brick purchase will stay within Rolling Hills Elementary and help fund the ongoing maintenance of the Literacy Garden.

CREATE YOUR OWN BRICK

ORDER BY: APRIL 4th, 2014

I would like to order (quantity) _____ 4" x 8" brick - \$45 each
